Are you done? You didn't even eat half of it.
Yeah I'm full.
You should eat more...
Oh, yeah. I won't be coming home again because of work.
I don't want you to worry about tuition.
You have to study hard and be successful, okay?
It's all for your own good.
Okay.
Psycho

You don't have your book again today?
I lost it...
Sigh...

You never learn. How agreed you study without a textbook?
Sigh....I feel bad for your parents.
Useless.
